BARBARA RICHARDSON WILDLIFE

Barbara Richardson Wildlife Foundation (541 acres in St-Faustin)

Chemin-des-Lacs between CTEL and crown land (3 km west of Manitou)

3 lakes, wetlands, mountain peaks, valley, wildlife, future trails

Transferred at no cost by trustees of BRWF (valued at \$780,000)

Benefits of 50/50 co-ownership with Nature Conservancy of Canada:

- 1) Credibility and broadens sources of financing (grants and new donors)
\$25k from Echo Foundation + \$8k from Valdurn for Stewardship Fund)
- 2) Largest land conservancy in Canada focused in our area + partners

Benefits to NCC:

- 1) Local partner to plan acquisitions with and manage conservation lands
- 2) Create east-west wildlife corridor spanning 117 (NCC land near Brule)

TOWNSEND
TOWNSEND NATURE PRESERVE
32.4 hectares/80 acres

ISLE McCALL/McCALL ISLAND
7 hectares/17 acres

An aerial photograph showing a large, irregularly shaped lake system surrounded by dense forest. The water is a deep blue color, and the surrounding land is covered in a thick canopy of trees, some showing autumnal colors. A white oval callout with a blue border is positioned in the upper left quadrant of the image, containing text about land reserves. The overall scene is a natural, wooded landscape.

RESERVE FER-A-CHEVAL +
HANGING ROCK/BARKER LAKE
87 acres + 51 acres = 138 acres

HANGING ROCK
11 hectares/28 acres

A photograph of a lake surrounded by a dense forest of trees with vibrant autumn foliage in shades of orange, yellow, and green. The sky is overcast and grey. In the foreground, there are dark, silhouetted branches of evergreen trees on the left and bare deciduous branches on the right. A white oval with a thin border is centered in the upper portion of the image, containing text.

Passage faunique - R117 | Ruisseau

Passage faunique - R117 | Sentier le P'tit train du Nord

Passage faunique - R117 | Sentier le P'tit train du Nord

LONG TERM GOALS

PRESERVE eco-sensitive areas around Lake Manitou (2,000 acres)
Ownership or servitudes - Focus remains on Manitou watershed

PROTECT eco-system & trails (Maple Leaf/Nantel, Laurentian, local)

PERPETUAL stewardship (rezoned, Private Nature Reserve, co-own)
Need to endow Stewardship Fund with \$250,000+

PROMOTE benefits of conservation to landowners & municipalities
(\$ Value of "*Ecological Assets*" and Return on "*Natural Capital*")
+ **Connectivity in the region** (wildlife corridors/crossings)

PARTICIPATE with others (NCC, ECL...) = More access to funding

CAPITAL CAMPAIGN

STEWARDSHIP FUND

2017 Campaign Objective: \$400,000

Purpose: repay BOS (\$150,000) + build a Stewardship Fund (\$250,000)

Stewardship Fund: Cover ongoing carrying costs of lands in perpetuity
Capital to be preserved + Income to cover annual carrying costs

Campaign Donations: \$320,000 (80% of target)

Balance of Sale: \$150,000 (fully repaid in 2017)

Stewardship Fund: \$170,000 (yielding \$9,000/year in income)

\$80,000 to go....

MERCI - THANK YOU

PRESERVONS LE FUTUR ENSEMBLE!

LET'S PRESERVE THE FUTURE TOGETHER!
